## **ASHT Companion Clinic Communications Guide**

While connecting to hand therapists, surgeons, and researchers from other areas of the world may seem daunting, there are many ways to reach out to our international colleagues given the many avenues that technology provides. Below is a resource list for communication and information sharing across continents. This is meant to be a starting point, rather than a comprehensive list, for the continued development in the field of hand therapy.

Туре	Platform Name	Cost	Features
•			
			Online text message, video chat
			services, and video conference calls
Video Chat	<u>Skype</u>	Free	to anyone in the world, for free.
			Allows conversations between two or
			more users. Can be used on
			desktops, supports messaging and
			group chats, and has multiway video
	Google Hangouts	Free	for collaboration
			Video chat mobile app that allows
			users to make video calls in high
			definition. It is optimized for low-
			bandwidth networks. Duo is based in
			phone numbers, allowing users to call
			someone from their contact list. The
			app automatically switches between
	Google Duo	Free	Wi-Fi and cellular networks.
			The site allows users to upload, view,
			rate, share, add to favorites, report
			and comment on videos, and
			subscribe to other users. All users
			can upload videos up to 15 minutes
Shared Video	<u>YouTube</u>	Free	each in duration.
			Users can upload/share digital photos
			and videos. Users may also join
			common-interest user groups
	<u>Facebook</u>	Free	organized by workplace, hobby, etc.
		Free for basic	Users can upload, share and view
		\$59.99-\$599 for	videos – including high-definition
	<u>Vimeo</u>	increased storage	video.
			Dailymotion allows users to browse
			and upload videos by searching tags,
			channels, or user-created groups.
			Dailymotion is available all around
			the world, in 18 different languages
			and 35 localized versions featuring
	<u>Dailymotion</u>	Free	local home pages and local content.

			Professional training app and web
			portal for peer-to-peer video
			learning. An online portal allows
			users to maintain a personal video
			library, and for users to share and
	1/00	¢1 F00/month	* '
	Veo	\$1,500/month	comment on videos.
